

Hello, fellow New Jersey nursing students, my name is Regina Adams. It's a great honor to be elected President of the New Jersey Nursing Students, Inc. (NJNS) for the 2009-2010 year. I am excited to be a part of such a wonderful organization. This is my second year on the board, last year I served as 2<sup>nd</sup> Vice President. Over the last year I have learned a great deal about myself and how NJNS will help me transition into the nursing profession. In May 2009 I received my Diploma in Nursing from Capital Health System School of Nursing. I look forward to continuing my education in pursuit of my BSN while working for Capital Health full time as a telemetry nurse at the Mercer Campus.

My goal as president this year is to encourage student and faculty involvement in NJNS programs such as Council of School Participants (COSP) and the Annual Student Nurses Convention. Both programs are a wonderful opportunity for students to enhance their knowledge and skills.

I am excited and privileged to work with an outstanding group of board members during the planning of the 2010 Annual Convention. It is my pleasure to announce, the 58<sup>th</sup> Annual student Nurses Convention will be held at the Tropicana Casino and Resort in Atlantic City, New Jersey.

We are currently working on recruiting exhibitors and speakers for the upcoming convention. Please feel free to contact me with your suggestions, comments or questions at [president@njnsinc.org](mailto:president@njnsinc.org).
