

Hello! My name is Jillalison Lee Camp and it is my privilege to be serving you this year as second VP!!!

A little bit about me... I have a bachelor's degree in Humanities/PCT and an associate's degree in Office Administration from Bob Jones University in South Carolina. After a short stint in the office environment, I decided to pursue my passion... nursing. I recently completed my associate degree in nursing from Cumberland County College and am currently enrolled at Wilmington University working towards my bachelor's in Nursing. I work full-time at Christiana Hospital-Wilmington, DE as an Emergency Department Graduate Nurse and look forward to becoming an RN soon! My extracurricular activities beside NJNS include working with my local church youth group, horseback riding and learning the guitar. As your second vice president I look forward to serving you by chairing the scholarship committee, updating and adding the approved amendments to the bi-laws and policies, helping plan the first year party and selecting the speakers of the focus sessions for the 2010 NJNS Convention.

This past year I served as secretary of NJNS which provided me with incredible opportunities to meet and work with some amazing people. As an NJNS board member, I am able to network with and brainstorm with other professionals in the field who can provide information and assistance when I am trying to serve NJNS to the best of my ability and meet the high standards that NJNS is responsible for. The high caliber of professionals and students that are members of NJNS help to contribute to my education and expertise in the field of nursing.

I look forward to meeting each one of you this year and working together with many of you. If you ever have any questions, suggestions or concerns, please feel free to contact me.
