

My name is Marie Scarlette Mupada. I am a proud graduate of Charles E. Gregory School of Nursing. I am currently pursuing my bachelor's degree and continuing for my master's degree at Monmouth University. I am also presently employed at Jersey Shore University Medical Center in Neptune, NJ as a Registered Nurse. I am very humbled to serve the position as the NJNS, Inc. 1st Vice President for the 2009-2010 terms.

My goal this year is to serve as your student advocate. As your 1st Vice President, I will do my best to ensure that the student nurses' voice will be heard. I am also very pleased and motivated to be working with my new fellow board members this year. I can not wait to work hand in hand alongside these talented groups of student nurses.

This year is going to be an enormous transformation of events. The 2010 Annual State Convention will be held in Tropicana Casino and Resort, Atlantic City on February 18-19, 2010. I am in the process of compiling an exhibitor list to make certain student nurses will have the opportunity to network for next year's convention. In addition, I will also try and reach out to all the schools and faculties to increase awareness of the importance of being actively involve in your school's student nurse organizations.

I look forward to serving my school, my community, and my state. Please feel free to contact me with your suggestions and comments at 1stVP@njnsinc.org. Thank you for this opportunity.
