## ABOUT NJNS

New Jersey Nursing Students, Inc. (NJNS) is a pre-professional organization representing the nursing students of New Jersey. Our goal as an organization is to help mold the future professionals of nursing by aiding in the transition from student nurse to professional nurse.

## ABOUT NSNA

[www.nсна.org](http://www.nсна.org)

The National Student Nurses Association is the parent organization of the New Jersey Nursing Students, Inc. By becoming a member of NSNA and attending an accredited nursing school in the state of New Jersey, you are also a member of the state nurses association, which is NJNS.

To take it one step further, if your nursing school has a chapter within NSNA, you are also a member of your local school chapter's nursing student association.
